

Job Title: Humanitarian Training Coordinator

Organization: Africa Training Institute

Deadline: 5th February 2026

Location: Juba, South Sudan, Uganda.

Overview:

Join our dynamic team at Africa Training Institute, where we empower professionals in humanitarian and development sectors through innovative training and research. As a Humanitarian Training Coordinator, you will design and deliver capacity-building programs focused on key areas such as public health, food security, grants management, and emergency response. Collaborate with experts to enhance skills for donor organizations, government agencies, and private sector partners across Africa.

Key Responsibilities:

- Develop and facilitate online and in-house certificate, diploma, and post-graduate courses.
- Conduct research to address capacity gaps in humanitarian work.
- Coordinate program logistics, participant engagement, and evaluation.
- Support outreach to build partnerships for effective development initiatives.

Qualifications:

- Bachelor's or Master's in Public Health, International Development, or related field.
- 3+ years' experience in humanitarian training or program coordination.
- Strong communication and organizational skills; familiarity with African development contexts preferred.
